Commissioner for Patents

It is respectfully pointed out that Applicant's amendment filed 06 September 2005 is considered non-responsive.

Please note that Applicant's arguments as to unexpected results of a synergy are not supported in the specification or with an affidavit or declaration. Rather than maintain Applicant's arguments as simply not persuasive, examiner considers it to be in the Applicant's best interest to have 30 days to provide adequate support for unexpected results.

Since the above-mentioned amendment appears to be a bona fide attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.
